- Compatible with TimberTech Radiance Deck Posts: Designed to fit seamlessly on 5" x 5" composite deck posts.
- Durable Composite Material: made from high-quality composite material that is weather-resistant and long-lasting.
- Integrated LEDs: Provides consistent illumination with a 3-watt power draw, offering energy efficiency.
- Warm Lighting: Emits a 2700K warm white light, perfect for creating a cozy and inviting ambiance on your deck.
- Low energy consumption - Low Voltage LED Design.
- Easy Installation: Comes with a simple plug-and-play wiring system for hassle-free setup.

PRODUCT DIMENSIONS

WARRANTY

- Tru-Scapes Lighting Sockets have a Lifetime Warranty.
- Light fixtures of brass, copper or stainless steel, aluminum, including finishes are warranted for five (5) years.
- LED Bulbs are warranted for five (5) years or 30,000 hours, whichever comes first.
- Stainless Steel, Painted and Weatherproof (plastic housing) transformers, excluding timers and photo cells, are warranted for five (5) years for the original purchaser.
- Tru-Scapes warranties do not cover plants that die or burn because of continuous light shined on them. This is not a defect, but the inherent nature of such plants. Certain acid loving plants such as arborvitae, pine trees, and others must not be exposed to light of any kind for more than 18 hours a day as these plants need time to sleep and allow photosynthesis to naturally occur.
- Low voltage landscape lighting fixture housings made of brass do naturally patina in color which is not a defect. (Please see www.Tru-Scapes.com for cleaning instructions.)
- See our full Warranty details at www.Tru-Scapes.com/faq.

CERTIFICATIONS

Indicates the product meets safety standards tested by Intertek.

Ensures the product is dust-tight and highly water-resistant.
